Privacy Policy

Personal and Health Information

Your private and personal information is completely confidential and securely stored via HIPAA compliant electronic health records software. The information contained in your health records belongs to you and you are free to request copies for yourself or to share with other health professionals or individuals of your choosing. Requests for information need to be received in writing and have your signature and date of signing. We will never sell, rent, trade or otherwise share your personal and private information unless required by law or with your prior written consent.

Contact and Billing Information

The personal contact information you share through your onboarding process or update through your patient portal or in-person including name, address, phone number, and email is collected and stored via HIPAA compliant electronic health records software system. Your billing information including credit card number is also collected and stored via HIPAA compliant electronic records software. Starseed Energetics LLC does not have access to your full credit card number and will never sell, rent, trade or otherwise share this information.

Opt-Out

You have the option to opt-in or opt-out of electronic communication including appointment confirmation, reminders and rescheduling information at any time through your patient portal or by requesting to opt-in/out in-person, via email, text, or phone.

Your privacy and security is extremely important to us. If you have questions or concerns, please contact us.
